Letter No. 1661 /RDE/Dt. 04.03.25

To

The Principals of Nodal Colleges
under the jurisdiction of RDE, Bhubaneswar.

Sub: Request for taking urgent steps towards the increase of registration number under PM-Internship Programme in respect of HEI Institutes of the District.

Madam / Sir,

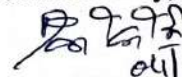

Govt. of Odisha, Department of Higher Education is prioritizing on the implementation of the Central Government sponsored pilot project of PM-Internship initiative on a massive scale. In this context, I would put an earnest appeal to all the esteemed principals to take up the following initiatives for a large scale registration of the aspiring eligible youths in the colleges of their respective districts.

- 1) To appoint a Nodal Officer for overall monitoring of the implementation. He is to be requested to be in touch with nodal officers of colleges of the district and collect the up-to-date information regarding the number of registration made in different HEIs.
- 2) To convene a staff council meeting and apprise them of the far-reaching outcomes of the scheme, role of staff to play in bringing about substantial registration and the concern of the Government machineries.
- 3) To convene a meeting of the Alumni highlighting the career prospects of the intership and form different whatsapp groups for further communication.
- 4) To make ample use of college website uploading all the guidelines, notifications and prospective benefits of the scheme.
- 5) To display sizeable banners scripting distinctly the objectives and benefits of the intership at the prominent places of the college.
- 6) To harness the service of extension wings like NSS, N.C.C., YRC etc. For wider awareness and large scale involvement of the eligible aspirants.
- 7) To urge upon the members of staff to bring minimum 5 students each into the fold of the scheme.
- 8) To submit information regarding the number of registration taken place in different HEIs by Thursday evening.

All the principals are requested to take reviews regularly on the status of the implementation and appraise the Office of the Regional Director, on each Thursday of the development. It goes without saying that the institutions having achieved excellence in registration and satisfactory implementation will be duly awarded with recognition.

Looking forward to your spirited response in catching and matching the desired goals.

Yours faithfully,

04/03/25

Regional Director

Regional Directorate of Education
Bhubaneswar

Memo No. 1662 /RDE/Dt. 04.03.25

Copy to the Principals of All Aided / Unaided colleges for information and necessary action.

Letter No. 1663 /RDE/DU. 04/03/25

To
The Principals of all Nodal Colleges
under the jurisdiction of RDE, Bhubaneswar.

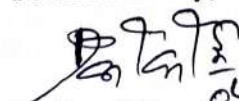

Sub: Expedition in the registration under PM Internship Scheme.

Madams/Sirs,

With reference to the subject cited above I am to say that as per the report on the updated registration under the scheme available at this end we are far behind the target number. Report of very less registration or no registration from some of the premiere colleges under the Directorate bespeaks the lack of our proactiveness in this regard. In view of our lagging behind others in the campaign of registration, the principals of all nodal colleges are requested to lead from the front and increase the number of registration to a satisfactory degree within the stipulated date. They must be in touch with the principals of the colleges under their jurisdiction and collect report on the registration on daily basis. Further, they are required to keep the Directorate apprised of the status of registration by 5.00 pm on each Thursday.

Looking forward to practical involvement of all concerned and the expected results thereof.

Yours faithfully,

Regional Director 04/03/25

Regional Directorate of Education
Bhubaneswar
